# RAFFLE of the MONTH

## The Ultimate Palette Box

The winner of the October Raffle for the Drawing & Painting Animals Book was Susan Skipp

The Ultimate Palette Box is an airtight sealed plastic box which contains a total of 12 separate internal palettes.

# VALUE £30

The name says it all! This really is the ultimate palette, since you'll never need another one! Caters for many combinations of colours and strengths of mix, more than you'll ever need for one painting. The quality's good too. Robust construction and cleverly designed. Lovely to use for studio work - nice big wells that you can get a large brush into & loads of mixing space. Keeps the paint fresh & moist.

The winner of the November Raffle for the Derwent Pencil Wrap was Sheila Greenhalgh

Tickets ONLY £1 each available at weekly workshops
